The Redondo Beach Chamber of Commerce and Visitors Bureau is the only volunteer membership organization dedicated to the promotion of business. The Chamber now serves more than 600 members and has established itself as a leader in the community since 1907. Through a well planned and balanced program of work, the Chamber is dedicated to Creating a Strong Local Economy, Promoting the Community, Providing Networking Opportunities and Representing the Interests of Business with Government. We are the primary source of tourist/destination marketing information for the city and the area known as the South Bay.

The Chamber is also dedicated to maintaining and increasing our membership by providing more benefits and comprehensive services for the business community. We hope to facilitate the entire community into working toward a single vision through our Economic Development Council. Because of our seaside location many new businesses have settled here. We have made it our highest priority to raise awareness as to the variety and location of businesses. Shopping locally is an integral part of supporting the Redondo Beach Community.

What We Do for Our Members

- **Creating a Strong Local Economy**
- **Promoting the Community**
- **Providing Networking Opportunities**
- **Representing the Interests of Business with Government**
- **Political Action**
